PRESS RELEASE

For immediate release

COVID-19 PANDEMIC - MAINTAINING ESSENTIAL SERVICES

Cookshire-Eaton, March 25th 2020 – The Town of Cookshire-Eaton wishes to inform its population that in order to follow up on the new measures announced last March 23rd at a press conference by the Department of Public Health, essential services are maintained.

To limit the risks of spread, several measures are already in place and new ones will be added:

- The Town Hall remains closed to citizens. Staff are on site to ensure the smooth running of current actions, some are teleworking, and it is always possible to communicate with the desired people by phone or email.
- The public works teams continue the normal maintenance of roads, aqueduct and wastewater networks and will respond to any emergencies.
- The collection of household waste and recyclable materials continues as usual.
- The Fire Service and First Responders are still active.
- The City Council will sit as planned, however the meeting will take place behind closed doors and from a distance.
- The play modules of all the city's parks will be closed.
- Payment of municipal taxes is possible by check and a box is provided for this purpose outside the Town Hall.
- Permit requests are possible by phone or email.
- The Emergency Measures Team is still in place and will remain in place until the end of the crisis.
-

The Town of Cookshire-Eaton urges all residents to be careful and follow Public Health guidelines to limit the risk of spread and help get through this crisis as quickly as possible.
