

ville de
Cookshire-Eaton

Given the excessive volume of large waste items collected in spring, there will be **no collection in fall**. Therefore, you will have access to the mobile ecocentre for free.

Accepted materials :

- Electronic devices (computers, televisions, keyboards, telephones, printers, ink cartridge, etc.);
- Wood (natural, painted or treated);
- Appliances;
- Oils;
- Construction materials;
- Metals of all kinds;
- Yard waste;
- Styromousses (clean, food or packaging styromousses);
- Textiles (clothing, blankets and curtains);
- Paintings (residential only);
- Porcelain (toilets, sinks);
- Concrete blocks, bricks;
- Tires (car or van NO RIMS).

Saturday, October 3, 2020

Bury Regional Ecocentre - 105 Central Maine Road

If you are unable to attend the mobile ecocentre, the Regional Ecocentre is open from May to November, Monday to Saturday, from 8:30 a.m. to 4:30 p.m.

819 560-8404

COVID-19 : It is essential to respect the sanitary distancing guidelines developed by Public Health. Measures will be applied on site to comply with these instructions. It should be noted that everyone is responsible for sorting his load himself among the different containers in order to limit the contacts. Staff will be on site to answer questions and direct site users.
